Cristian,

We'd already vetted the locations I sent you and did not need additional SRs created. They will incorporate them into the regular CARE work. There is no illegal dumping present in any of these photos. The items are near the RVs and that is clearly their stuff. Alejandro must not understand the injunction and I will reach out to Rocio to arrange a time when she and I can explain it to him.

Hello Sarah,

I did my drive today. Here is my report based on the locations you sent me:

**13232 Gladstone Ave-** I did not see anything here. Just illegal dumping; I will report it but I do not think it needs CARE.

**Arroyo / Foothill-** huge encampment. I created an SR# and will add to CARE. if you may add it to CARE+ as well.

13116 Foothill- One RV; minimal illegal dumping I will add it to CARE

**13460 Sayre St**

Illegal Dumping 1-1622622601

Juan contacted me about this location. Apparently, there is a squatter and there is a lot of illegal dumping outside the residence. LADBS is on the case. If you may expedite the request it will be beneficial for us.

**13102 Hoyt St-** One RV; minimal illegal dumping I will add it to CARE.

**Borden Ave / Paxton-** I did not see illegal dumping or HE.

Attached are the pictures of the RVs Alejandro is reporting. I will keep 1799 Truman Ave on there. There are three RVs and have illegal dumping. That is the closest address I have for that location. Please advise me on what actions I should take.

Thanks,
